

IMELIGHT

2026

AT ZACH,
we believe in the power of
light—to illuminate new ideas,
spark imagination, and bring
people together. As Austin's
leading professional producing
theater, we create vibrant,
intimate theater experiences that
engage, inspire, and connect our
community.

LET'S SHINE TOGETHER

Step into the limelight for our annual party in support of the theater that lights up our city. On March 7, the Topfer will transform into a vibrant celebration of everything that makes Zach unforgettable.

We'll toast to where we've been, preview what's next, and raise critical funds for the performances and programs that power our mission. Enjoy elevated food and drinks, a thrilling auction, and a dance floor that won't quit.
